

Teacher Voting Tools

Make the vote your own!

Scan a code or tap the labeled link. Change the question and choices.
Each teacher can start a fresh vote for their own class.

SCAN ME

Create an Electronic Class Vote

Use a shared tablet, or give each child a different one-use electronic ballot link.
End voting to count and compare results.

Create & Print Paper Ballots

Customize the choices, then print ballots or save them as a PDF. Give each child one ballot and count the votes together.

[TAP HERE: Printable paper ballots](#)

Think. Choose. Check. Vote.

Use either paper or electronic ballots: one child, one vote.

Inspired by Our Class Votes! by Lorraine Jackson and the song My Turn to Vote.
